## List Of Companies Operating In Epz In Bangladesh

BEPZA currently controls eight Export Processing Zones (EPZs). A ninth zone is planned to be opened in the future. Recently the government BEPZA has submitted to Parliament a bill to reduce customs duties on the import of foreign goods and to expand the export of goods and services. The draft law stipulates that if an importer exports goods manufactured in the export zone, then these goods will be exempt from import customs duties. In order for the exporter to be able to enjoy the benefits for 180 days after the goods are sold in the export zone, the bill sets a time limit of three days.
